Dear Mr Guttersen:

Pursuant to my Conversatio with Mr. Art Guttersen and Rule 305.b.(1), of the Rules and Regulations of the Colorado Oil and Gas Conservation Commission ("COGCC"), Unioil who is a wholly owned Subsidiary of Petroleum Development Corporation, Inc. ("PDC"), as operator, hereby gives notice to you that it intends to commence operations for the drilling of a well or wells for oil and gas on the referenced lands no sooner than 30 days.

Prior to commencing these operations, we would like to consult with you again concerning the proposed operations and location of production facilities, pipelines and roads. The well locations will be staked before the consultation. I will be contacting you again, to discuss the proposed operations and to schedule an onsite consultation regarding surface damages rig access and Tank Battery locations.

Should you have any questions regarding our operations please feel free to contact me at cell #970 539-1265 and Office # 970 834-2055

Enclosed is a copy of the COGCC's brochure describing surface owner rights and responsibilities. There is also a copy of the COGCC's Policy for Onsite Inspections.

Thanks for your anticipated cooperation.

Sincerely

Petroleum Development Corporation
