

Inspection Photos  
Operator: Noel Reynolds  
Location/API #: 067-05448  
Date: 4-30-2019

Photo 1. View of the wellhead still in place facing westward. Electrical box documented from previous inspection is no longer present.

Photo 2. View of area south of the wellhead area that appears impacted by produced fluid or compacted. Vegetation in this area is largely annual weeds such as claspings pepperweed (*Lepidium perfoliatum*) and cheatgrass (*Bromus tectorum*).
