Nature of Complaint: odor

Field Inspector Actions:

On 05-14-2019, I was contacted by COGCC staff about a complaint received by the COGCC in reference to Odor. The complainant stated the issues were occurring outside of her home, from the Interchange A&B pad.

On 05-13-2019, I attempted to make contact with the complaint who indicated that on 5-13-19 at approximately 10:17PM complainant experienced a putrid petroleum stench from their backyard 15464 Lipan St. At approximately 10:30PM, I arrived at complainant's neighborhood and smelled a strong odor. I did follow the odor back to the Interchange B drilling pad. I informed the complainant that my findings would be in my full inspection report filled with the COGCC.

See inspection document #688402186 per my inspection.

All information reviewed and site inspection information were submitted to the COGCC for further review.
