**General Comment:**

This is an Abandoned Location Inspection for Wells API#s 045-17718 & #045-17719; APDs first Approved 11/14/2008; Permits Abandoned 5/4/2011. It does not appear that these AL Wells were drilled on Location with Fourteen PR Wells; therefore, these are Well Releases on an Active Location. These Wells were passed for Final Reclamation in 2015; however they were inadvertently Checked in Field Inspection in 2018 giving them an Active Priority Status. This Inspection clears the mistaken Active Priority Status.
