Subject: State Reportable Release

Good afternoon,

We had a state reportable release at the location noted below due to historical soil impacts which were discovered at the wellhead during P&A activities. Further information will be included in a forthcoming Form 19 Spill/Release Report.

Please let know me if you have any questions.

Associated Well Names: Doris Smith 41D-21 #1
Location: NENE Sec 21-2N-66W
