NOTICE OF INTENTION TO DRILL

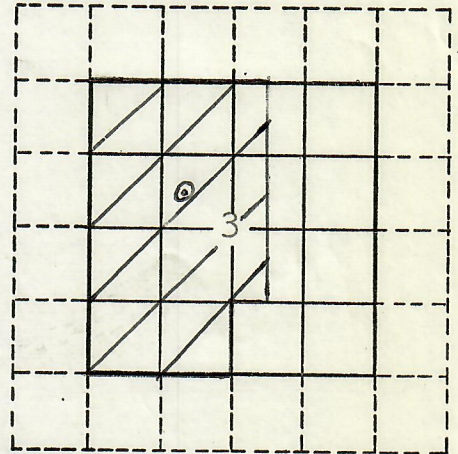

INSTRUCTIONS:

A notice of intention to drill a well shall be filed in duplicate on all Federal and Patented lands, and in triplicate on all State lands. Do not begin operations until approved copy has been received. It is mandatory that the proposed location comply with all rules and regulations of the Commission. Locate well on section grid in proper location, and indicate extent of lease. Unless operations are commenced within 180 days after the date of approval hereof, this approval to drill will become null and void.

Status	

REMARKS: Well is located in Greenwood Gas Unit Area which is all of Section 3 and N/2 Section 10, Township 35 South, Range 41 West, Baca County, Colorado. It will be drilled with rotary tools to test formations to and including 100' into Mississippian. Approximately 1350' of 10-3/4" OD 32.7# surface casing will be set and cemented to surface. If commercial production is indicated 5-1/2" OD 14# production casing will be run and cemented to protect prospective horizons. Producing zone will be perforated as indicated by electric log.

I/We hereby swear (or affirm) that the statements herein made are a full and correct report.
