Attention: P. E. Cospers, Foreman

Dear Sir:

On June 18, 1949, we received your notice (in duplicate) of intention to plug and abandon Well No. 1, C.F. & I., Lease, Tercio Field, Las Animas County, Colorado.

I would appreciate your advising me whether or not this is the same well about which Mr. J. H. McCulloch, Chief Clerk, Production Department, Tulsa, Oklahoma, wrote this office on September 1, 1948, in reply to which letter I wrote to you as he requested and sent you copy of sundry forms which are required by the Colorado Gas Conservation rules.

Our record does not indicate that any notice of intention to drill or other information has been filed with this office until your present filing which requests permission to plug and abandon this well.

We are again enclosing forms and ask that you fill them out, also to file with us as soon as possible a log of this well.

Yours very truly,

JOHN E. CRONIN,
STATE INSPECTOR OF OILS
