Corrective Action: Comply with Rule 1004.a to remove all debris.

Date: 05/28/2019

Response: CA COMPLETED

Date of Completion: 05/23/2019

Operator  
Comment:

Risers and any remaining equipment on location are the responsibility of the operator. Kerr McGee Midstream removed all of its equipment, which included the meter run, riser, and flowline from location in November 2018. It appears the remaining risers were the supply to the meter from the facility.

COGCC Decision: \_\_\_\_\_

COGCC  
Representative:

**OPERATOR COMMENT AND SUBMITTAL**

Comment: Risers and any remaining equipment on location are the responsibility of the operator. Kerr McGee Midstream removed all of it's equipment, which included the meter run, riser, and flowline from location in November 2018. It appears the remaining risers were the supply to the meter from the facility.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
