**General Comment:**

This is an Abandoned Location Inspection for Wells API# 045-17581 & 045-17583 prompted by Bond Release Request; also a Follow Up to Inspections.Doc#s 666801161 & 680101597.

APDs were first Approved 11/2008; Permits Abandoned 6/8/2011. It does not appear that these AL Wells were drilled on Location with Five PR Wells; therefore, these would be Well Releases on an Active Location.

There are no Form 4s reporting plugging or Cement Tickets for Conductors on file. Please be aware there are Two CAs in Reclamation Section.
