419880	WELL	AL	02/04/2019	LO	045-20054	Mead RWF 541-23	RI

General Comment:

This is an Abandoned Location Inspection, for Five Wells, listed in Inspected Facilities above; APDs First Approved in 2010 for Williams; Permits Abandoned in 2019 by Terra. It does not appear that these AL Wells were drilled on Location with Ten PR Wells; therefore, these would be Well Releases on an Active Location; except that what appears to be evidence of Wells remains on site.

Comment: There are Six Risers with lock out tags at East end of Well Line up in positions of AL Wells. It appears these Risers may be related / associated with Abandoned Permits. AL Wells can not be Released for Final Reclamation if any Evidence remains.

Corrective Action: Contact Inspector with identification of Risers & determination of how they are not related to Abandoned Permits by 5/31/19; or Remove Evidence of AL Wells by 6/23/19.

Date **05/31/2019**
