Environmental	Returned to Draft for correction. Latham F21-J24-14HNB Form 4 Document # 402061025 The above referenced form 4 has been returned to draft for correction. After reviewing the information that was provided it appears that the wrong water well list is attached to the Sundry. The Latham wells are in Sec 14, 4 North, 63 West while the water wells that were provided are near the section line between 4 and 5 North and are over a mile North of the Latham pad, some are five miles away from the Latham pad. Please carefully review the information and only provide the water wells that are in the 318A.f sample area for the Latham pad.	06/04/2019
