1	<p>I think is very unsafe to be building this project so close to our neighborhoods and schools. First is the air/water pollution aspect, which can easily become catastrophic. Risk of explosions and fire is also relevant as could reach our homes, and the added road congestion would certainly be unwelcome. Overall this is an incredibly irresponsible idea, and this needs to be moved much further away, or canceled altogether.</p> <p>Thank you,</p> <p>Aaron Lile</p>	02/19/2019
