**General Comment:**

COGCC Inspection Report 689802834 Summary

On Friday 6/7/2019 at approximately 12:15, I, Inspector Emily Waldron, conducted a UIC field inspection at Mustang Resources LLC Federal 4-35, at 081-06817 in Moffat County Colorado.

While there, I observed a shut-in well.

During this inspection the following possible compliance issues were observed:

Erosion ruts in access road, evidence of sediment migrating down access road. See photo 2. Install or repair required BMPs per Rule 1002.f by 7/19/2019.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report 689802834.
