

ASSIGNMENT, BILL OF SALE AND CONVEYANCE

This ASSIGNMENT, BILL OF SALE AND CONVEYANCE (this "Assignment") dated effective as of May 3, 2019 at 12:01 a.m. local time where the Assets (as defined below) are located (the "Effective Time"), is from **DPOC, LLC** and **Mallard Exploration, LLC**, each a Delaware limited liability company with an address of 1400 Sixteenth Street, Suite 300, Denver, Colorado 80202 (collectively, "**Assignor**"), to **Noble Energy, Inc.**, a Delaware corporation ("**Assignee**"), whose address is 1625 Broadway, Suite 2200, Denver, Colorado 80202. Assignor and Assignee are at times referred to herein individually as a "**Party**" and collectively as the "**Parties**." Capitalized terms used herein but not otherwise defined shall have the meanings given such terms in the Asset Exchange Agreement by and among Assignor, Assignee, and Mallard Exploration, LLC, dated May 3, 2019 (the "**Exchange Agreement**").

ARTICLE 1 **ASSIGNMENT OF ASSETS**

1.01 Assignment of Assets. For and in consideration of good and valuable consideration, the receipt and full sufficiency of which are hereby acknowledged, Assignor does, subject to the exceptions and reservations set forth in this Assignment, hereby grant, bargain, sell, convey, transfer, assign, set over and deliver to Assignee all of Assignor's right, title and interest in and to the following (but reserving, excepting and excluding, in all such instances, the Excluded Assets described in Section 1.03 of this Assignment) (collectively, the "**Assets**");

(a) the leasehold estates created by the oil and gas leases described in Exhibit A hereto, and any extensions, renewals, ratifications, and amendments thereto, carried interests, reversionary interests, forced pooled interests, operating rights, contractual rights, beneficial interests, and other similar rights and interests, insofar and only insofar as the oil and gas leases cover and relate to the lands described on Exhibit A (the "**Leases**");

(b) to the extent transferable, all unitization, pooling and communitization agreements, declarations, orders, and the units created thereby insofar as the same relate to the Leases and to the production of all oil, gas and other hydrocarbons (the "**Hydrocarbons**"), if any, attributable or allocated to the Leases;

(c) all surface leases, permits, rights-of-way, easements and other surface rights agreements insofar as the same are used primarily in connection with the exploration, drilling, production, gathering, treatment, processing, storing, sale or disposal of Hydrocarbons or produced water from the Leases (the "**Surface Rights**"); and

(d) The contracts and agreements described on Exhibit C, insofar and only insofar as such contracts and agreements relate to the properties and interests described in clause (a) through (c) above; and

(e) To the extent transferable and in Assignor's possession, all of Assignor's land records, lease records, contract files, title records (including abstracts of title, title opinions and

memoranda, title curative documents, broker run sheets and landowner contact information) and other records relating to the items described in Sections 1.01(a) to 1.01(d) but excluding any seismic, geological, geophysical and interpretative data or information and any information covered by the attorney-client or attorney work-product privilege (other than title opinions and title memoranda) or confidentiality restrictions that prevent their disclosure to Assignee (the "**Records**").

TO HAVE AND TO HOLD the Assets, together with all the rights, privileges, and appurtenances thereto, unto the Assignee and its successors and assigns forever, subject to the exceptions, reservations, covenants, terms and conditions set forth herein.

1.02 Retained Rights and Obligations. The execution and delivery of this Assignment by Assignor, and the execution and acceptance of this Assignment by Assignee, shall not operate to release or impair any surviving rights or obligations of Assignor or Assignee under the Exchange Agreement.

1.03 Excluded Assets. Notwithstanding anything to the contrary in this Assignment, Assignor hereby **RESERVES, EXCEPTS AND RETAINS** the Excluded Assets, all of which are excluded from the Assets conveyed hereunder, and Assignee shall have no interest in, to or under any Excluded Assets. As used herein, the term "**Excluded Assets**" means:

(a) all interests in the Leases described in Exhibit A other than the specific interests described in Sections 1.01(a) and 1.01(b);

(b) all royalty interests and overriding royalty interests (including any such interests in the leases described in Exhibit A and the lands covered thereby, including without limitation, the Retained Overriding Royalty interest, described herein, which shall burden the Assets, and the Parties agree that such excepted and retained royalty and overriding royalty interests have not merged with Assignor's working interest in the Leases and constitute separate and distinct interests;

(c) all (i) wells described in Exhibit B and all other wells located on the Leases and the lands covered thereby (the "**Excluded Wells**"), and all associated production facilities, tanks, personal property, equipment, fixtures and improvements, used in connection with the Excluded Wells or to produce, gather, treat, process, store or sell Hydrocarbons produced from the Excluded Wells, and (B) interests in the leasehold estates created by the Leases described in Exhibit A that give rise to Assignor's interest in the spacing units for the Excluded Wells, and the rights described in Section 1.01(b), insofar and only insofar as such interests and rights entitle the owner thereof to Hydrocarbons produced from the intervals currently open to production in the Excluded Wells and to conduct and participate in operations with respect to the Excluded Wells; *provided, however*, such retained and excluded interests and rights shall not include any right to, and Assignor shall not, deepen, perforate any intervals not currently open to production, sidetrack, or drill any horizontal lateral from the existing wellbores of the Excluded Wells; (the "**Excluded Wellbore Rights**");

(d) all Surface Rights and Records insofar as the same are used in connection with, or necessary or convenient for, the continued ownership, use, operation and access of and to the Excluded Assets, including the Excluded Wells and Excluded Wellbore Rights; and

(e) an overriding royalty interest in each tract covered by each Lease, equal to the positive difference, if any, between Twenty percent (20%) less Existing Burdens on such Lease, insofar as it covers such tract, as of the Effective Time, in all of the Hydrocarbons produced and saved under the terms of the Lease (the "**Retained Overriding Royalty**"); subject to the following terms and conditions:

A. if Assignor owns less than 100% of the leasehold estate created by a Lease, or if the Lease covers less than the full fee oil and gas mineral estate, in a tract covered by the Lease, then the Retained Overriding Royalty shall be reduced proportionately with respect to Assignor's interest in such Lease in such tract or the partial fee oil and gas mineral interest covered by the Lease with respect to such tract;

B. the Retained Overriding Royalty shall be free and clear of all costs and expenses of producing, gathering, storing, separating, treating, dehydrating, compressing, processing, transporting, marketing and otherwise making oil, gas, casinghead gas, and other products ready for sale or use, but shall be subject to taxes applicable to said interest and the production therefrom; and

C. "**Existing Burdens**" means all existing, non-cost bearing burdens in effect as of the Effective Time affecting a Lease including the landowner's or lessor's royalty, overriding royalties, net profits interests, production payments, and any other charges or existing non-cost bearing burdens of a similar nature applicable thereto, but excluding the Retained Overriding Royalty.

ARTICLE 2

SPECIAL WARRANTY AND DISCLAIMERS

2.01 *Special Warranty of Title.* Assignor hereby warrants and agrees to defend Assignee against every person whomsoever lawfully claiming or to claim an interest in any Lease included in the Assets by, through or under Assignor, which claim, if successful, would constitute a Title Defect that causes such Assignor not to have Defensible Title to such Lease.

2.02 *Subrogation.* Assignor hereby assigns to Assignee all rights, claims and causes of action under title warranties given or made by Assignor's predecessors in interest with respect to the Assets, and Assignee is specifically subrogated to all rights which Assignor may have against such predecessors in interest with respect to the Assets, to the extent that Assignor may legally transfer such rights and grant such subrogation.

2.03 *Disclaimers.* THE PARTIES AGREE THAT, TO THE EXTENT REQUIRED BY APPLICABLE LAW TO BE OPERATIVE, THE DISCLAIMERS OF WARRANTIES CONTAINED IN THIS SECTION 2.03 ARE "CONSPICUOUS" DISCLAIMERS FOR THE PURPOSES OF ANY APPLICABLE LAW, RULE OR ORDER. THE EXPRESS REPRESENTATIONS AND WARRANTIES OF THE PARTIES CONTAINED IN THE

EXCHANGE AGREEMENT, AND THE TITLE WARRANTY IN THIS ASSIGNMENT, ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE. ASSIGNOR EXPRESSLY DISCLAIMS ANY AND ALL SUCH OTHER REPRESENTATIONS AND WARRANTIES. WITHOUT LIMITATION OF THE FOREGOING AND EXCEPT FOR ASSIGNOR'S WARRANTIES, THE ASSETS ARE BEING CONVEYED PURSUANT HERETO WITHOUT (A) ANY WARRANTY OR REPRESENTATION, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, RELATING TO (I) TITLE TO THE ASSETS, THE CONDITION, QUANTITY, QUALITY, FITNESS FOR A PARTICULAR PURPOSE, CONFORMITY TO THE MODELS OR SAMPLES OF MATERIALS OR MERCHANTABILITY OF ANY EQUIPMENT OR ITS FITNESS FOR ANY PURPOSE, (II) THE ACCURACY OR COMPLETENESS OF ANY DATA, REPORTS, RECORDS, PROJECTIONS, INFORMATION OR MATERIALS NOW, HERETOFORE OR HEREAFTER FURNISHED OR MADE AVAILABLE TO ASSIGNEE IN CONNECTION WITH THE EXCHANGE AGREEMENT, (III) PRICING ASSUMPTIONS, OR QUALITY OR QUANTITY OF HYDROCARBON RESERVES (IF ANY) ATTRIBUTABLE TO THE ASSETS OR THE ABILITY OR POTENTIAL OF THE ASSETS TO PRODUCE HYDROCARBONS, (IV) THE ENVIRONMENTAL CONDITION OF THE ASSETS, BOTH SURFACE AND SUBSURFACE, (V) ANY IMPLIED OR EXPRESS WARRANTY OF NON-INFRINGEMENT, OR (VI) ANY OTHER MATTERS CONTAINED IN ANY MATERIALS FURNISHED OR MADE AVAILABLE TO ASSIGNEE BY ASSIGNOR, OR (B) ANY OTHER EXPRESS, IMPLIED, STATUTORY OR OTHER WARRANTY OR REPRESENTATION WHATSOEVER. ASSIGNEE HAS INSPECTED, OR WAIVED (AND SHALL BE DEEMED TO HAVE WAIVED) ITS RIGHT TO INSPECT, THE ASSETS FOR ALL PURPOSES AND SATISFIED ITSELF AS TO THEIR PHYSICAL AND ENVIRONMENTAL CONDITION, BOTH SURFACE AND SUBSURFACE, INCLUDING BUT NOT LIMITED TO CONDITIONS SPECIFICALLY RELATED TO THE PRESENCE, RELEASE OR DISPOSAL OF HAZARDOUS SUBSTANCES, SOLID WASTES, ASBESTOS AND OTHER MAN MADE FIBERS, OR NORM. ASSIGNEE IS RELYING SOLELY UPON THE TERMS OF THE EXCHANGE AGREEMENT AND ITS OWN INSPECTION OF THE ASSETS TO BE ASSIGNED TO IT, AND SHALL ACCEPT ALL OF THE SAME IN THEIR "AS IS, WHERE IS" CONDITION.

ARTICLE 3

MISCELLANEOUS

3.01 *Assignment Subject to Exchange Agreement.* This Assignment is executed and delivered pursuant to the terms of Exchange Agreement and is specifically made subject to the terms, conditions, and covenants contained therein, a copy of which can be obtained from the Assignee at the above referenced address. The terms and conditions of the Exchange Agreement are incorporated herein by reference, and in the event of a conflict between the provisions of the Exchange Agreement and this Assignment, the provisions of the Exchange Agreement shall control. The Assignee, subject in each case to the terms of the Exchange Agreement, assumes and agrees to fulfill, perform pay and discharge (or cause to be fulfilled, performed paid or discharged)

all of the Noble Assumed Liabilities. The provisions of the Exchange Agreement, and any other agreements, certificates or instruments executed or delivered in connection therewith, shall not be deemed to have merged into this Assignment and shall survive the execution and delivery of this Assignment according to their terms.

3.02 Governing Law. This Assignment shall be construed in accordance with, and governed by, the laws of the state of Colorado, without regard to its conflicts of laws rules. **EACH OF THE PARTIES HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS ASSIGNMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY RELATED TO THIS ASSIGNMENT. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE PARTIES ENTERING INTO THIS ASSIGNMENT.**

3.03 Further Assurances. Assignor and Assignee agree that, from time to time, each of them will execute, acknowledge and deliver all such further instruments of conveyance and transfer and take such other actions as may be reasonably requested by the other Party for carrying out the purposes of the transactions contemplated by this Assignment.

3.04 Successors and Assigns. This Assignment shall be binding upon, and shall inure to the benefit of, the Parties and their respective successors and assigns, and the terms, covenants and conditions of this Assignment are covenants running with the land and with each subsequent transfer or assignment of the Assets or any part thereof, and in the event that Assignee conveys all or a part of the Assets, Assignee shall remain liable to Assignor for Assignee's indemnification obligations hereunder and under the Exchange Agreement notwithstanding any such assignment.

3.05 Governmental Authority Forms of Assignment. Separate assignments of the Leases may be executed on officially approved forms by Assignor to Assignee in sufficient counterparts to satisfy applicable statutory and regulatory requirements. Those assignments shall be deemed to contain all of the exceptions, reservations, rights, titles, powers and privileges, covenants and warranties set forth herein as fully as though they were set forth in each such assignment. The interests conveyed by such separate assignments are the same, and not in addition to, the interests conveyed herein.

3.06 Exhibits. Reference is made to the Exhibits attached hereto and made a part hereof for all purposes. References in such Exhibits to instruments on file in the public records are made for all purposes.

3.07 Counterparts. This Assignment may be executed in any number of counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute but one and the same instrument. To facilitate recordation or filing of this Assignment, each counterpart filed with a county or state agency or office may contain only those portions of the Exhibits to this Assignment that describe property under the jurisdiction of that agency or office. Complete copies of this Assignment containing the entire Exhibits have been retained by Assignor and Assignee.
