## Inspection Photos

Location Name: Rulison Compressor Station Tank Battery Spill

Spill/Release ID: #465241

Inspection Date: June 24, 2019

**Photo #11 – Unidentified stockpile of impacted soil located at northwest corner of location. Stockpiles contained precipitation with little freeboard (~1"). Stained and saturated soil beneath storage containers indicate that fluids have escaped containment previously (red arrows).**

**Photo #12 – Unused equipment stored in northeast corner of location.**
