Date: _____

Pits: ☒ NO SURFACE INDICATION OF PIT

COGCC Comments

Comment	User	Date
<p>On (Monday) (7/8/19) at approximately (1223), I, Inspector Dougo Wentzel, conducted a (Routine FIU General Field Inspection) at (Caerus) (Debeque 8-13), (API #077-08680) in (Mesa) Colorado. While there, I observed (A Production Operation only.) During this inspection compliance issues were observed: Weeds growing inside tank battery containment. Stormwater Erosion on NW corner of location not being controled. Unused equipment on location. (Refer to Corrective Action Matrix for comments, corrective actions, and corrective action date). Refer to photograph of observed compliance issue. A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. (if correction actions are identified) This is a summary of inspection report.</p>	wentzeld	07/08/2019
