<p><b>COGCC Inspection Report Summary</b>  On Tuesday July 9, 2019 at approximately 10:01AM, I Randy Silver conducted an on-site inspection at a KP Kauffman site Mahoney #2, at API# 123-09078 in Weld County Colorado.  While there, I observed Well site.  During this inspection the following possible compliance issues were observed:  Access road: Rule 603 f Corrective action date of 7-23-19 See photo 3  Weeds: Rule 603 f Corrective action date of 7-23-19 See photo 4  At time of inspection I observed weeds making access road almost inaccessible, and weeds completely covering electric panel.  A follow up inspection needs to be performed to assure compliance issues have been corrected to comply with COGCC rules.  This is a summary of inspection report.</p>	silverr	07/09/2019
