<p><a href="#">COGCC Inspection Report Summary</a>                      On Thursday 7/19/19 at approximately 11:30 AM I, Inspector Scott Ramsey, conducted a routine field inspection at TEP DOE 1-M-18 Cuttings Facility at location # 456106 in Garfield County, Colorado.                      While there, I observed a pit was dug for the drilling rigs cuttings. I also saw that they were storing saw dust for the mixing of the cuttings.                      This is a summary of inspection report.</p>	ramseys	07/19/2019
