Dear Elden:

Re: Bond - Dollard #1

I am handing you herewith invoice from Mat Tinley & Company covering bond premium on bond to the Oil and Gas Conservation Commission covering the Dollard #1 in Gunnison County, Colorado. It is my understanding that you have now acquired this well and payment for this premium should be made direct to Mat Tinley & Company.

By a copy of this letter to Mat Tinley & Company and to Mr. Smith of the Oil and Gas Conservation Commission, I am requesting that the necessary changes be made in their records.

Kindest regards,

Ernest S. Baker
