COGCC Inspection Report Summary

On Monday, July 29, 2019 at approximately 15:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at LIND 20-53 (Great Western), at API #: 05-123-29036 in WELD COUNTY Colorado.

While there, I did not observe the status of the wellhead.

During this inspection, no following possible compliance issues were observed, as the wellhead is currently in crop. I will re-inspect at a later time. See attached photo #1.

A follow up on this site inspection needs to be conducted to ensure previous corrective actions assigned in inspection DOC#: 696300029 have been completed.

This is a summary of inspection report.
