Comment:

Two (2) meter sheds remain at the tank battery location. See attached photo. Comply with the reclamation rules to remove (regardless of ownership) all debris, abandoned gathering line risers, and flowline risers, and equipment within three months of plugging (1/29/2019) the associated facility. All work should have been conducted by 4/29/2019.

Operator shall comply with the Rule 1004 standards regarding Final Reclamation activities for all the associated disturbances.

Corrective Action:

Comply with Rule 1004 to remove all equipment. Corrective action date is the date when all equipment should have been removed.

Date **04/29/2019**
