General Comment:

This is a reclamation inspection. It appears the well was plugged and abandoned on 2/2/2018 and the subsequent report of abandonment has not been approved and is awaiting on additional documentation from the operator.

The location has not been recontoured and reclaimed and is not in compliance with the 1004 reclamation requirements. Operator is directed to perform corrective actions outlined on this inspection report immediately. This inspection is being entered for notification and documentation only and is not intended to provide the Operator the opportunity to resolve the alleged violations without the imposition of a penalty, pursuant to Rule 522.c.(1). Perform corrective actions immediately to avoid further enforcement and potential penalties.
