## Comment

**COGCC Inspection Report Summary**

On Monday, August 19, 2019 at approximately 14:50, I, Inspector Brittani Santistevan, conducted an on-site inspection at CUMMINGS 19-23 (Kerr McGee), at API #: 05-123-27397 in WELD COUNTY Colorado.

While there, I observed a shut in wellhead.

During this inspection the following possible compliance issues were observed:

1. Weeds inside fencing that contains wellhead. COMPLY WITH RULE 603.F. (Corrective Action Date: August 29, 2019) See attached photo #2.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.

Continuing Education Inspection
