 Nature of Complaint: odor
 Field Inspector Actions:
 On 08-19-2019, I Randy Silver area field inspector was assigned a complaint received by COGCC staff in reference to Odor. The complainant Judith Kowitt 13471 Columbine Cir Thornton stated the issues were occurring outside of her son's home Vista Ridge-Sheridan Parkway and Skyline Drive.
 On 08-19-2019, I attempted to make contact with the complainant who indicated that on 08-17-19 she experienced a terrible oil smell that made it impossible to breathe outside and forced her to go inside immediately to escape it.
 I performed a complete site inspection of the oil and gas location and associated wells in the area. At time of inspection, I did not smell any unusual odors.
 Weather conditions: Sunny location was dry.
 See inspection document #693501137 per my inspection.
 No violation of COGCC rules were observed at the time of the inspection.
 All information reviewed and site inspection information were submitted to the COGCC for further review.
