Department of Natural Resources

Inspection Photos  
Operator Name: CITATION OIL & GAS CORP  
Location ID: 324930

**Photo 1:** Photo taken from the facility location, facing north. Photo shows riser has not been removed from the location and appears to be interfering with farming activities as farmer appears to have to travel around equipment while planting crop. Area around riser remains bare and exposed soil or predominantly undesirable weedy plant species. Area does not appear to have been recontoured/regraded. Riser requires removal in accordance to 1004.a.
