Corrective Action:

Date **03/20/2017**

Comply with Rule 1004. Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production. Corrective action date is being back-dated to when all final reclamation work should have been completed.

See COGCC comments for additional compliance information.

COGCC Comments

Comment	User	Date
PDC shall consult with their agent, Greg Wilson, on COGCC 1000 Series Rules and Regulations. It was brought to COGCC staff's attention that Mr. Wilson communicated false information to the surface owner regarding the requirements of PDC and false information that COGCC had already passed this location for Final Reclamation; therefore, PDC was not going to conduct any further work. This issue will be forwarded to COGCC Enforcement staff.	binschusc	08/27/2019
