<p><b>COGCC Inspection Report Summary</b>                      On Thursday 9/5/2019 at approximately 09:30 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Anadarko Miracle 13-12 Pad location #333299 in Larimer County Colorado.                      While there, I observed an unused methanol system being stored on location, a concrete vault with no placards, two chemical tanks with no placards, a lube oil tank with insufficient placards and miscellaneous trash on location. During this inspection the following possible compliance issues were observed: Rule 210.d. and Rule 603.f. with a corrective action date of 11/18/2019.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	09/05/2019
