COGCC Comments

Comment	User	Date
<p>COGCC Inspection Report Summary On Friday 9/6/2019 at approximately 10:15 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the SRC Energy Kawata 21-16 Pad location #448030 in Weld County Colorado. While there, I observed two concrete vaults and one fiberglass vault with no placards, one concrete vault with insufficient berms, two open secondary containments and unused equipment. During this inspection the following possible compliance issues were observed: Rule 210.d with a corrective action date of 11/8/2019, Rule 324 A.a. with a corrective action date of 9/24/2019, Rule 605.a. (4) with a corrective action date of 11/8/2019. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	09/06/2019
