 Nature of Complaint: odor  
 Field Inspector Actions:  
 On 09-08-2019, I Randy Silver area field inspector was assigned a complaint received by COGCC staff in reference to Odor. The complainant Cindie Scoby 15849 Longview DR Broomfield CO stated the issues were occurring outside of complainants home.  
 On 09-09-2019, I attempted to make contact with the complainant who indicated that on 9-07-19 she experienced a sweet odor while having coffee on her deck at 8:00AM. She has an open area behind her house and have a direct shot to the gas fracking wells. I performed a complete site inspection of the oil and gas location and associated wells in the area. At time of inspection, I did not smell any unusual odors at the Livingston drilling pad.  
 At time of inspection, I spoke with Manny Parras drilling supervisor he stated at time of complaint they were drilling and no unusual activity was taking place.  
 Weather conditions:  
 See inspection document #693501309 per my inspection.  
 No violation of COGCC rules were observed at the time of the inspection.  
 All information reviewed and site inspection information were submitted to the COGCC for further review.
