 Field Inspector Actions:
 On 09-11-2019, I Randy Silver area field inspector was assigned a complaint received by COGCC staff in reference to Noise. The complainant Sara Tylor 17147 Navajo St Broomfield CO stated the issues were occurring outside of complainants home.
 On 09-11-2019, I attempted to make contact with the complainant who indicated that on 9-10-19 she experienced a excessive noise from site after 9PM. Noise is very audible inside home with the windows closed.
 I performed a complete site inspection of the oil and gas location and associated wells in the area. At time of inspection, I did not observe any unusual noise. Frac crew was rigging out at the time of inspection;
 Weather conditions: Clear location was partly wet.
 See inspection document #693501380 per my inspection.
 No violation of COGCC rules were observed at the time of the inspection.
 All information reviewed and site inspection information were submitted to the COGCC for further review.
