1	Please deny this application. Although it is in unincorporated Weld County, it is still very close to Erie neighborhoods and schools and will adversely affect people and the environment. Under no circumstances should drilling much less onsite disposal of drilling fluids and drill cuttings be allowed in this residential area.	02/25/2019
2	Deny this application. Do not allow Kerr McGee to dispose of ANYTHING onsite. This application is a disgusting display of O&G's grotesque gluttony in Northern Colorado.  This site is adjacent to a large neighborhood and around the corner from our town's only high school and a PreK-8.  Deny. Deny. Deny.	02/25/2019
