COGCC Inspection Report Summary

On Monday, September 16, 2019 at approximately 10:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at SCHMUNK 31-51 (Great Western Oil & Gas), at API #: 05-123-25561 in WELD COUNTY Colorado.

While there, I observed a shut in wellhead.

During this inspection the following possible compliance issues were observed:

1. No emergency contact on wellhead sign. INSTALL SIGN TO COMPLY WITH RULE 210.B. (Corrective Action Date: October 16, 2019) See attached photo #1.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.

Continuing Education Inspection.
