Operator Comments:

This Form 5 is being submitted in response to a July 26, 2018 data request for a new Drilling Completion Report for wells that have not had one filed since 1999.

This well is a re-entry of the Tom Vessels Ransford 1A well which was completed as a gas well in July 1962.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
