Operator Comments:

This Form 5 is being submitted in response to a July 26, 2018 data request for a new Drilling Completion Report for wells that have not had one filed since 1999.

There are no cementing tickets available for this well.

This well is a re-entry of the Shell Oil Company's C. I. Wray #1 well which was completed as a dry hole in 1958 and re-entered and completed as a dry hole by Horizon Oil & Gas Company on December 24, 1967.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
