**Operator Comments:**

As drilled, a portion of the Hebron 0780 4-7H well's lateral section was drilled at no more than 35-ft past the 300-ft setback of the eastern boundary of Sec 7, therefore SandRidge is requesting an exception location to Commission Order No. 531-18.

The exception location waivers from the two adjoining mineral interest owners in Sec 8 are attached.

A replacement Form 5 (doc #402167716) to the Form 5 currently in process will be submitted for review with this exception location request.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
