

# Construction and Stormwater Inspection

September 17, 2019

Operator: SRC ENERGY INC- #10311

Location ID: 458940

Inspection Document #: 697500610

Weld County, CO

SWNE Section 26 T6N R66W

Chris Binschus  
Reclamation Specialist, COGCC

**COLORADO**  
Oil & Gas Conservation  
Commission

Department of Natural Resources

Inspection Photos  
Location Name: Chalk-Seeley Federal /7-26  
Pad  
Location ID: 458940

**Photo 1.** Photo taken from the entrance of the location, facing East. Photo illustrates culverts have been installed. The required permits were inside the mailbox. Operator shall install vehicle tracking device BMPs to ensure compliance with potential sediment discharges from operations, as a new access road has been constructed.

**Photo 2.** Photo taken from the entrance of the location, facing South. Photo illustrates the Operator has constructed a new access road (red-dashed lines) adjacent to an existing oil and gas access road. Operator indicated that the existing oil and gas access road would be reclaimed. Operator indicated the new access road was a County requirement.
