Attn: Mr. McCain

Dear Mr. McCain:

This is to advise you that I have consulted with the Attorney Generals office and they advise me that the \$5,000 bond issued by the United States Guarantee Company and presumed to cover your oil operations in Colorado will also be applied on the Hulda Hanson well upon which a \$2,000 bond was filed August 17, 1950. The former bond may be permitted to expire.

Yours very truly,
