RE: Bond No. 1756183-Shell Oil Company-\$2,000 in
favor of State of Colorado, Special Colorado
Lease Bond covering Drilling Operations on
Huldah A. Hanson lease, NE $\frac{1}{4}$ and N $\frac{1}{2}$ SE $\frac{1}{4}$
Sec. 33-8N-59W, Weld County, Colorado except
lots in the Town of Buckingham, eff. 8/17/50

Gentlemen:

In your letter dated August 30, 1951 to the Colorado
Gas Conservation Commission concerning the cancellation of the
captioned bond, you advised that the oil operations under this
lease had been transferred from Shell Oil Company to Hulda Hanson.
Apparently the wrong information has been passed to you; Shell
Oil Company is still the operator of this lease. Actually what
happened is that we filed with the Colorado Conservation Commission
blanket bond No. 1756219 covering all our operations on patented
land in the State of Colorado in the amount of \$5,000, dated
October 6, 1951; this bond is in lieu of the individual lease bonds.
We are enclosing copy of the letter received from the Oil Inspector
of Colorado cancelling bond No. 1756183.

Very truly yours,
