**COGCC Inspection Report Summary**

On Wednesday, September 25, 2019 at approximately 14:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at BOOTH USX EE 35-17 (Noble Energy), at location #: 306465 in WELD COUNTY Colorado.

While there, I observed a producing (based on production records) wellhead.

During this inspection the following possible compliance issues were observed:

1. Weeds inside fencing that contains wellhead. COMPLY WITH RULE 603.F. (Corrective Action Date: October 5, 2019) See attached photo #2.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
