2 ☒ CA# 128364

Corrective Action: Comply with Rule 1003.f.
Provide a plan for ongoing weed control.

Date: 08/01/2019

Response: CA COMPLETED

Date of Completion: 08/19/2019

Operator Comment: I have attached a weed plan created by a professional located in Trinidad so he has knowledge of the weeds we are dealing with.

COGCC Decision: Approved pending re-inspection

COGCC Representative: The attached weed plan appears to provide mostly non-pertinent information regarding Wapiti's ongoing weed control plan. It is unlikely that performing weed control once annually will be sufficient. As a condition of approval of the weed control plan, Wapiti must: 1. Monitor and conduct weed control throughout the growing season. 2. Perform noxious weed control in the early Summer and Fall as recommended by the contractor. 3. Perform Integrated Weed Management such as but not limited to physical, cultural, and chemical control. Ongoing inspections will be performed to evaluate compliance of Rule 1003.f.

3 ☒ CA# 128365

Corrective Action: Comply with the 1003 interim reclamation rules.
Reseed and stabilize the cut slope.

Date: 07/17/2019

Response: CA COMPLETED

Date of Completion: 08/02/2019

Operator Comment: The slope has been cat tracked and hydro seeded. Wattles have been installed to help keep the seed from washing away

COGCC Decision: **Not Approved**

COGCC Representative: Inspection performed on 8/23/2019 documented erosion issues along the cut slope. Maintenance is required.

4 ☒ CA# 128366

Corrective Action: Install or repair required BMPs per Rule 1002.f.

Date: 07/17/2019

Response: CA COMPLETED

Date of Completion: 08/05/2019

Operator Comment: More rock checks have been installed along with an additional culvert.

COGCC Decision: **Not Approved**

COGCC Representative: Inspection performed on 8/23/2019 documented BMP issues. Maintenance is required.

OPERATOR COMMENT AND SUBMITTAL

Comment: This area has been totally redone with hydro-seeding, wattles and rock checks. We will see if any vegetation is established yet this fall otherwise it should come up in Spring of 2020

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
