Comment: [Site has been re-contoured and seeded since previous inspection. Desirable vegetation is establishing and the most vigorous of the three Operator sites visited. Halogeton, C list Noxious weed is also a concern at this site. Operator should consult with County Weed manager as to most effective control and timing for Halogeton \(considering interspersions with desirable species\). There is evidence of vehicle tracking into Location; Operator is encouraged to install barriers & signs to discourage this traffic.](#)
