### CORRECTIVE ACTIONS:

1 ☒ CA# 130862

Corrective Action: Comply with Rule 1004.e. Control noxious weeds.

Date: 09/27/2019

Response: CA COMPLETED

Date of Completion: 09/27/2019

Operator Comment: Some of the noxious weeds were mowed using a bag on the mower to catch the clippings. Some of the weeds were pulled out of the ground by hand, including the root. Some of the weeds were the root would not come out of the ground were cut and the stem was treated. All of the weeds and clippings were bagged and removed from

the location. See attached photo log for details.

COGCC Decision: Approved pending re-inspection

COGCC Representative: It is uncertain if mowing will be an effective control method. Seed is small and mowing could break apart seed heads dispersing the seed onto the ground. Ongoing weed control should be perform starting next year early in the season.
