Mr. Bert Wheeler
666 Vista Lane
Lakewood, Colorado

Dear Mr. Wheeler:

We have the report that your #1 Giacomini well
is a gas discovery.

This office, together with the Nomenclature
Committee, will have to give the new field a name, and
we would like to have your suggestion as to a suitable
name for this field.

Sincerely yours,

Director.

Notice of Intention to Drill
#1 Giacomini

Center NE NW 21-9N-52W
Wildcat in Logan Co

Learned from Texas Co.
Said he will file bond if
you want it but will
be in to see you Monday.

You have it on the map
as Wheeler & Gray.
