**General Comment:**

This inspection is in response to a complaint regarding Reclamation. The complaint is in regards to four separate locations. See complaint section for more details.

This inspection is being entered for notification and documentation only and is not intended to provide the Operator the opportunity to resolve the alleged violations without the imposition of a penalty, pursuant to Rule 522.c.

Comment

Operator has failed to respond to the previous complaint filed in May 2018 by contacting the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production. Refer to the attached inspection photos.

Corrective Action

Comply with Rule 1003. Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production.

Corrective action date is being back-dated to the previous date.
