<p><b>COGCC Inspection Report Summary</b>                      On Thursday, October 3, 2019 at approximately 13:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at GREAT WESTERN PAD9 (Great Western Oil &amp; Gas), at location #: 333296 in WELD COUNTY Colorado.                      While there, I observed temporarily abandoned wellheads/shut in facility.                      During this inspection the following possible compliance issues were observed:                      1. No NFPA placard on produced water tank. <b>INSTALL SIGN TO COMPLY WITH RULE 210.D.</b> (Corrective Action Date: November 3, 2019) See attached photo #14.                      2. Trash/Debris on location next to separators. <b>COMPLY WITH RULE 603.F.</b> (Corrective Action Date: November 3, 2019) See attached photo #15.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p> <p>Continuing Education Inspection.</p>	santistb	10/03/2019
