Regarding release of Bond.

Gentlemen:

In reply to your telephone request as of December 18, 1953 with reference to the bond of the Charles M. Jameson, which was furnished in connection with their # 1-J.S. Warner well located 660' North of the South Line and 660' East of the West Line, 36-6N-96W, Moffat County, Colorado.

Our records show that all notices required by our Rules and Regulations have been filed on this well and that the well has been plugged and abandoned in accordance to the rules of the Oil and Gas Conservation Commission of the state of Colorado, and therefore the Bond can be waived.

Sincerely,
