Operator Comments:

The Knox facility was reclaimed approximately October of 2018. The reclamation included removing gravel, replacing with top soil, augmenting the soil and planting wheat in coordination with the surface tennet. The details of the plan were submitted previously via Form 4.

The attached photos are from April and October of 2019 and represents the first growing season after reclamation.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
