In Re: Oil & Gas Lease No. 4183, Block 17

Dear Sir:

We were notified today by the State Board of Land Commissioners office that we had not filed the \$2,000 bond necessary to drill on State land. Our Notices of Intention to Drill were also returned.

This is to advise you that on October 5, 1951, United States Guarantee Company Bond #1796112 was countersigned by Van Schaack and Company, Denver, Colorado as resident agent and forwarded on to Mr. Oral K. Wilson, Mineral Superintendent.

We are re-submitting our Notice of Intention to Drill in triplicate for approval. If any additional information is needed, please advise.

Very truly yours,

D. W. Whitlow  
Production Division
