Hi John,

Here is a timeline of events:

Poly ruptured on or about October 10, 2019

Discovered during a site visit on October 10, 2019

COGCC contacted by phone October 16, 2019

COGCC notified October 17, 2019, Form 19 submitted

Repairs completed October 25, 2019

I have attached photos of the repaired line and the analytical report of the water collected from it. Please let me know if you have any questions or need anything else.

Thanks,

Jen
