General Comment:

This is a reclamation inspection of the Maverick 12-29 location. The two wells at the location were plugged and abandoned on 3/ 2008. A reclamation variance request document number 401150395 was submitted and returned to draft on 1/5/2017. The variance request was never resubmitted and final reclamation has not been performed.

Operator is directed to perform corrective actions outlined on this inspection report immediately. This inspection is being entered for notification and documentation only and is not intended to provide the Operator the opportunity to resolve the alleged violations without the imposition of a penalty, pursuant to Rule 522.c.(1). Perform corrective actions immediately to avoid further enforcement and potential penalties.
